My primary objective is to provide superior quality wedding photography. I truly believe that every wedding, and every couple is unique, and pride myself on being inclusive to all couples. Stella & Birdie Photography provides not only imagery but a complete experience.

# PLANNING

Shortly after you reserve Stella & Birdie Photography, I will reach out to you. I will call you to arrange your One Hour Engagement Session, where you will be able to discuss your photography vision, and perfect your posing style.

# FULFILLMENT

After your wedding day, I will create your finished collection, a vibrant and expressive set of 50-75 images per hour of coverage telling your wedding story. I will also select your Signature Collection – 20 to 30 premier images that express the beauty of your most special moments as your sneak peek. This dynamic collection is then made into your on-line album. You will receive all of your images on a digital link with complete rights to reprint.
